

HUNTER DISABILITY EXPO 2025

MY FUTURE, MY CHOICE

THE HUNTER DISABILITY EXPO IS BACK FOR 2025!

The Hunter Disability & WorkAbility Expo brings together disability specific products and services, as well as providing employment options to people in the disability community – all under one roof as an integrated Expo.

In the Hunter region, thousands of residents with all abilities continue to gain greater control over their lives and will be on the lookout for the most suitable services in their local area to meet their individual needs.

The Expo will offer a crucial opportunity for people with all abilities to find out about the latest products, services, technology, aids and equipment and for product and service providers to connect with people with a disability, their families & Carers.

To promote this event, the Newcastle Herald will be publishing a special 8 to 16 page feature in it's Saturday, 3rd May Edition. The feature will include editorial, information about presentations and performances and will also include a floor plan of the exhibition space.

This is a fantastic opportunity to promote your organisation to a highly targeted Saturday audience of over 48,000 readers in print and over 150,000 readers online.
